Hi Eric, yes secured loans did get edited out because Stewart is heading up a huge Class Action against the banks and we don't want them having any warning as to the tactic. You can email stu@creditliberation.org for details

Hi **Eric Chan**, I would email ab@truthology.org.au about those matters, however I will say that he's very busy right now in preparation for 20 new Partners starting in 10 days time.....

Thanks whoever you are. Is there someone I could contact in relation to operating a foundation? I'm familiar with opening a societal/community cheque account and writing up the articles of association. I guess i'm after specific advice regarding the intricacies on bare trusts, property and having real estate removed from the council systems and manage assets in a foundation.

We've been talking about this moment in time for well over a decade now.
Many of you have probably tried to introduce your friends to what's really going on with the 'system'.
Many of you have probably been labelled 'Tin foil hat wearers'.
Well....Here it is....and we just hope you're all as prepared as you can be.
History always favours the well prepared.... See more
